Short Description

Description

Artist's note: "The illustration of February in Jasu Wonder World 2022 calendar. The theme of the calendar was *Window to Another World*, featuring 12 detailed and colorful illustrations. Each one of the illustrations has a unique story to tell through views that open through different window, and the things that happen all around the window frame: Is it just a dream that the little girl is having, or are these beautiful creatures really passing by the window? One of the puppies is wide awake, and his attention has certainly been captured by something moving outside the window.
