Weight: 550.00g

Dimensions: 0.00cm x 0.00cm x 0.00cm

Price: \$79.00

Ex Tax: \$79.00

Description

Artist's note: "Originally a commission; The client wanted to have a front view of a stag on A1-sized paper. They also wanted me to include the sort of transformation element that I sometimes add to my artworks. In this case the deer is forming out of water, growing flowers on his antlers like he's made of the water, being born out of it, half plant, half animal."

Keywords: deer, stag, flowers, birds, water, fantasy, magical, butterfly, butterflies, prints, detailed
